

## OUR TRANSIT SCHEDULE

Hi-Trans Express has an extensive metropolitan and regional network for pickups and deliveries in each state or territory nationally. Your freight will travel to the closest depot for linehaul transit through our Intrastate and Interstate network which connects with our local delivery fleets Australia wide.

Please note that all transit times listed are based on business days (Monday to Friday, excluding public holidays) and are subject to booking cut off timeframes for your pickup location. Bookings and pickups outside of this timeframe will be likely to incur an additional day transit, as are timeslot deliveries.

Refer to the full zone listing available via the [documentation](#) on our website for further details regarding transit and booking/pickup cut off times.

### PRIMARY TRANSIT LANES

The following schedules represent our primary linehaul transit lanes which connect to form our Australian network.
